### SP0062

These COMPETITION rimless sunglasses are characterized by a 28-gram shield that improve your view and performance. New adjustable nose pads ensure a perfect fit and optimum comfort. Non-slip contact points on the temples and longer rubber tips provide better grip. The style is available with new HDC lenses designed to emphasize colors and contrast while reducing glare to enhance performance and safety over multiple lighting conditions. Photochromic lenses are also included in the offer, and the second clear lens is included as a spare in styles with Smoke and Mirror Lenses (removable through the quick-change lens system). This style can also mount an optical clip-in in the internal side of the mask to offer the best performance to the ones who need any correction/optical prescription.
