THE WHITNEY EVOLVES WITH NEW OPTIONS AND HIGH STYLE

The Whitney frame takes center stage in this season's TOM FORD Archive collection. The iconic style comes in exciting new variations, each renamed to signal its singular appeal.

Consistent across the range: a dramatic flair that sits at the intersection of audacious and fanciful. The design's distinguishing element is its graceful "infinity cross" front that creates a boldly alluring butterfly effect. This visual impact makes the Whitney a favorite of celebrities including Charlize Theron, Keira Knightley and Angelina Jolie.

The Nicoletta is an exciting limited-edition titanium frame. The Bettina, Fernanda and Jada styles all feature the butterfly silhouette and the Tom Ford signature metal 'T' insert at the temple – a mark of high elegance and masterful design.
